

ACCA | Ineo's Pass Assurance scheme

At Ineo we are very confident that our products and services will help you to pass your exams. In fact we are so confident that we offer the following promise:

If you use one of our products to prepare for your ACCA exam and are unlucky with your final exam result for that paper, we will offer you a free face to face revision course in the following sitting to help you to fine tune your preparation for your resit.

We offer this because we believe our products will help to ensure your success. So to qualify you must satisfy the following criteria which demonstrate that you have made optimal use of our product:

Online courses:

- A score of more than 50% in Achievement Step 1 (by the date of the exam)
- Submit Achievement Steps 4 and 6 for marking by the deadline and score more than 30% in both
- Submit Achievement Step 8 for the marking by the deadline (no minimum mark necessary but the attempt must be your original work and you must attempt all questions)

Full Face to Face courses (Intro plus Revision):

- As above plus full attendance on the Introductory and revision face to face courses
